If an individual receives a title II benefit, any amounts attributable to the most recent increase in the monthly insurance benefit as a result of a title II COLA is not counted as income during a "transition period" beginning with January, when the title II benefit for December is received, and ending with the last day of the month following the month of publication of the revised annual Federal poverty level.

For individuals with title II income, the revised poverty levels are not effective until the first day of the month following the end of the transition period.

For individuals not receiving title II income, the revised poverty levels are effective no later than the date of publication.

1905(s) of the Act

g. (1) Qualified disabled and working individuals.

In determining countable income for qualified disabled and working individuals covered under 1902(a)(10)(E)(ii) of the Act, the methods of the SSI program are used.

1905(p) of the Act

(2) Specified low-income Medicare beneficiaries.

In determining countable income for specified low-income Medicare beneficiaries covered under 1902(a)(10)(E)(iii) of the Act, the same method as in f. is used.

a. Medically Needy

- (1) Income in excess of the MNIL is considered as available for payment of medical care and services. The Medicaid agency measures available income for periods of either 1 or 6 month(s) (not to exceed 6 months) to determine the amount of excess countable income applicable to the cost of medical care and services. **THE RECIPIENT CHOOSES WHICH BUDGET PERIOD TO APPLY IN DETERMINING ELIGIBILITY.**
- (2) If countable income exceeds the MNIL standard, the agency deducts the following incurred expenses in the following order:
 - (a) Health insurance premiums, deductibles and coinsurance charges.
 - (b) Expenses for necessary medical and remedial care not included in the plan.
 - (c) Expenses for necessary medical and remedial care included in the plan.

— Reasonable limits on amounts of expenses deducted from income under a.(2)(a) and (b) above are listed below.

1902(a)(17) of the Act

Incurred expenses that are subject to payment by a third party are not deducted unless the expenses are subject to payment by a third party that is a publicly funded program (other than Medicaid) of a State or local government.
